GSSM POLICIES FOR APPLICANTS

Discipline Policy

The goal of GSSM is to create a safe, healthy environment in which every student can grow and prosper. We recognize that the students of Global School must be in correct relationship with God and with others in order to ensure completion of the school's mission objectives. The consequences of one's sin or disobedience have the potential to bring confusion and destruction into the community.

We desire to come alongside each student in loving correction only when necessary. It is the intention of Global School of Supernatural Ministry to follow biblical patterns of discipline within the confines of all student activities. If any individual is involved in any sinful behavior that cannot, at the discretion of Global leadership, be taken care of in a timely manner, or would affect the students in an adverse way, Global leadership reserves the right to give correction, public rebuke and/or dismissal.

Substance Use

Global Awakening is a ministry that has relationships with many people, churches, and ministry streams. Therefore, Global Awakening desires to foster unity and find common ground between them. Because of that, Global School students are prohibited from using products which contain nicotine, drinking alcoholic beverages, and using drugs on Global Awakening's property or during any Global Awakening events. This includes:

- During school hours on site or during Global Awakening conferences, school outreaches, or events.
- Any property where a Global event is being held. This includes your car if it is parked on the property where the event is located.

Housing Issues

GSSM does not provide housing for On-site/GSI students, and housing is the student's responsibility. However, once accepted to the school, we will give you access to our online Housing Forum. There you can connect with local landlords with a preference for GSSM students, offering options from single rooms to houses to communal living, as well as with other students and applicants seeking roommates. Applicants are welcome to pursue other options that suit them.

Global School cannot ultimately be responsible for extra-curricular conflicts of our students with roommates or landlords, whether financial or personal, nor can GSSM be responsible for the actions of renters or landlords and should not be thought of as such. Disputes should be resolved in their proper context and through appropriate channels.
